The background is a solid teal color. Overlaid on this are the shadows of palm fronds, which appear as a pattern of light and dark teal shapes. The shadows are most prominent on the right side of the image, creating a sense of depth and texture.

NORTH'S TRUE ESSENCE

An aerial photograph of a tropical coastline. The top half of the image shows deep turquoise ocean water. Below that is a shallow area with lighter turquoise water and visible sandbars. At the bottom, a narrow strip of white sand beach is visible. The right side of the image is partially covered by a solid orange vertical bar.

AZHA NORTH

Featuring innovative architectural design, first-class amenities and abundant green spaces, this ideally located community is a gem – secluded enough to offer families a perfect place of rest while boasting seamless access to near-by communities and amenities as well as to North Coast's main arteries.

MASTER PLAN

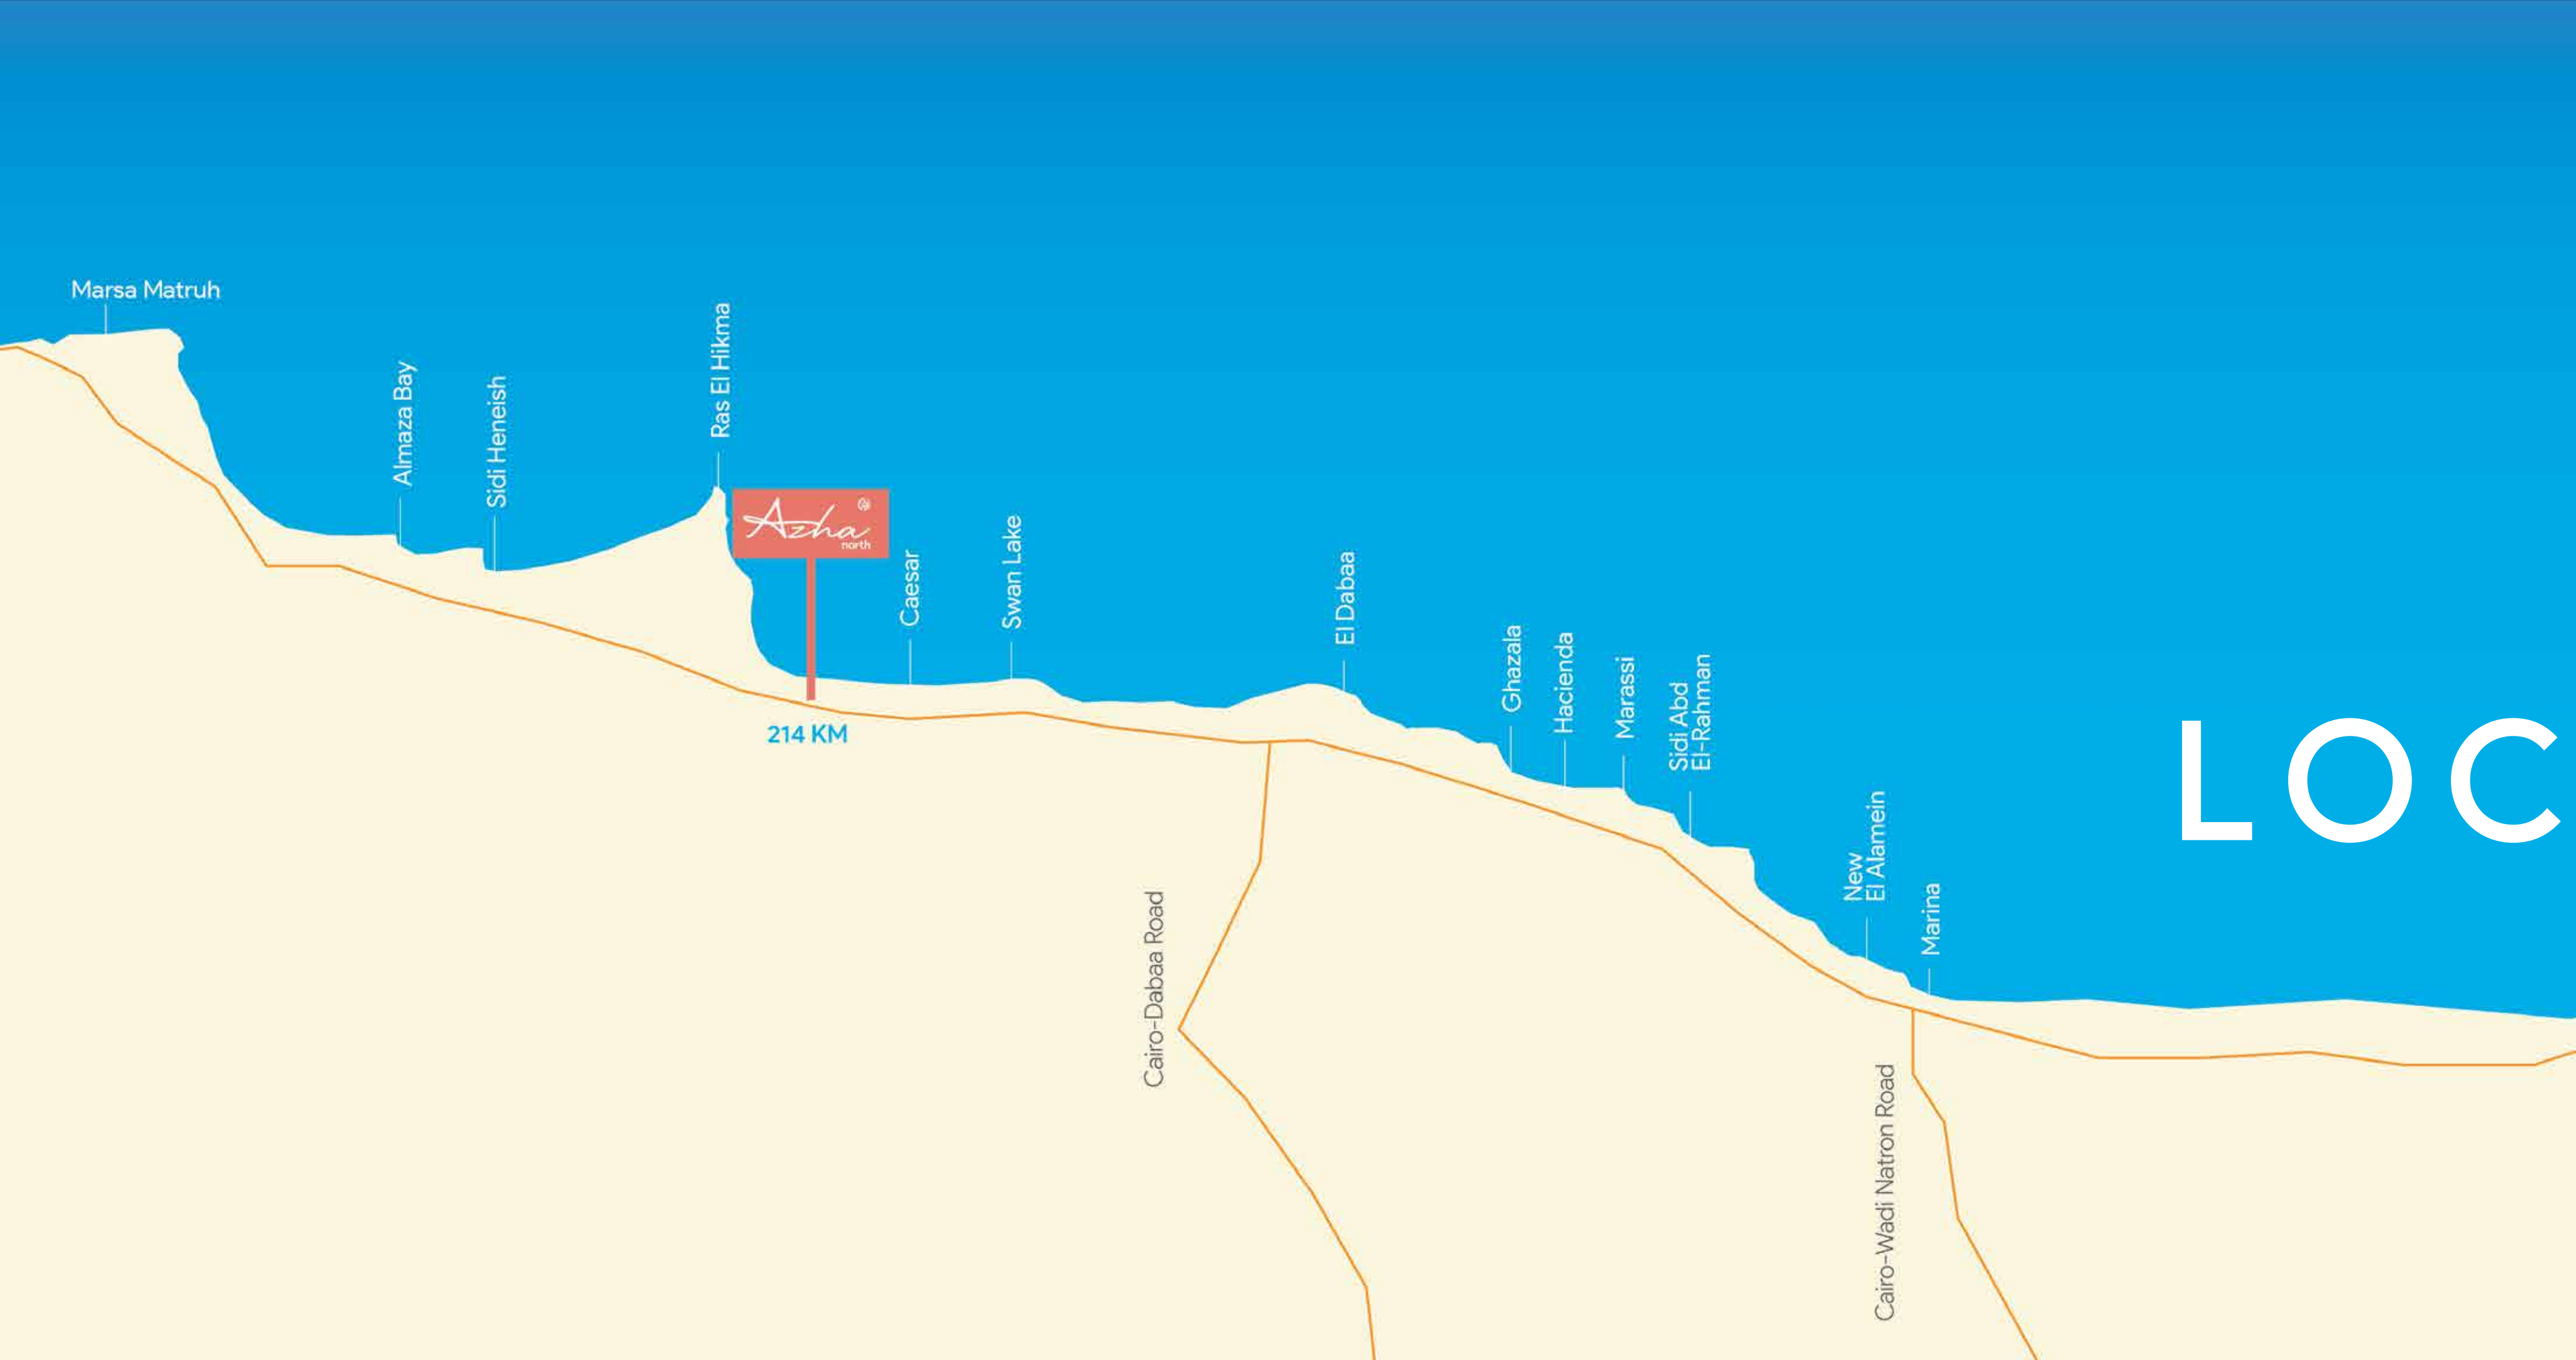

Designed by the world class architectural firm WATG, Azha North is a first-of-its-kind master development in scale and magnitude that aesthetically translates the core values of our hospitality heritage.

Within the master plan development are plenty of opportunities for outdoor activities intrinsic to maintaining a healthy lifestyle.

LOCATION

Overlooking a stunning white sandy beach, right on the water's edge and on the closest to the new city of Ras El Hikma.

Another gem that will sparkle on North Coast's is a place where taste, elegance and refinement will meet and merge.

A high-angle, top-down view of a person swimming in clear, turquoise water. The person is positioned in the upper right corner, with their head and arms visible above the surface. They are wearing dark swim trunks. The water is crystal clear, showing ripples and reflections of light. The text 'A MYRIAD OF FLAVOURS' is overlaid in the center in a white, bold, sans-serif font.
